

WORLD HEALTH RUN

April 7, 2018

WORLD HEALTH RUN is a worldwide running event for health equity in the U.S. and globally. It is managed by World Run, Inc., and features educational and fundraising activities that are produced by and benefit the leading global health organizations listed below. We invite their chapters, clubs, affiliate groups or of other nonprofits and schools to join the collective effort. These local groups are called Local Event Hosts, and they ensure success by bringing energy and engagement at the local level to **WORLD HEALTH RUN**.

Event Details

The annual, **WORLD HEALTH RUN** is held on the first Saturday on or after World Health Day. Individuals around the world can sign up for the **VIRTUAL WORLD HEALTH RUN** that can be run (or walked) from any location in the world. In addition, there are live **LOCAL WORLD HEALTH RUNs** anywhere there is significant interest and registered Local Event Host(s). The **PREMIER WORLD HEALTH RUN** takes place in Chicago, IL. Both virtual and in-person participants receive a commemorative race bib and participant t-shirt.

WORLD HEALTH RUN raises funds to benefit locally-owned, health equity or planetary health-focused projects championed by the benefitting organizations. These projects improve human health and access to health services in the U.S. and globally. Registrants have the opportunity to select a specific organization or project to benefit, or have their registration fees benefit all projects equally. **WORLD HEALTH RUN** allows individuals and communities at local, national, and international levels to actively engage in the conversation of health equity, health disparities, health care access, and sustainable health systems.

Responsibility Pledge

World Run, Inc. is committed to upholding the highest degree of social accountability and responsibility. We are locally-focused, practice sustainability, seek responsible corporate sponsorship, conduct responsible business practices, are apolitical, non-religious, and financially transparent.
